

I.M.P.A.C.T. Educational Program (I'm Progressively Achieving Change through Training):
SEEKING SUPPORT OF COMMUNITY LEADERS AND BUSINESSES
Theme: "The Path to a Bright Future"

Dear Community Partner:

Please join the Changing "LIFE", Education Initiative After School Program **I.M.P.A.C.T.** (*I'm Progressively Achieving Change through Training*). One component of the Changing "LIFE", Education Initiative's program objectives is to collaborate with existing community agencies to aggressively **I.M.P.A.C.T.** our youth and young adults while changing their lives positively and restoring peace and citizenship to our communities. We plan on accomplishing this objective by providing youth with fun, creative, interactive training workshops that promote learning and strengthen young student's minds and basic skills.

Students will be enrolled in either an 8 week or 16 week training course designed to introduce a new skill and introduce a possible career path. We hope you can participate and invest by planting seeds in our children's future. Various workshops and classes will be held at the Abraham Lincoln Centre. Most workshops are free if students are enrolled, others classes require a reasonable economical fee. We are asking community partners to join with us by making a tax deductible donation, or financial contribution to support planned activities, materials, transportation, and a program t-shirt for student participants. Such donations will be recognized on our promotional material including advertisements, flyers, news releases, etc.

Contributors of \$250 or more will be printed on the event t-shirts.

Our mission is to establish a safe, nurturing environment where youth and young parents can be positively influenced to progressively increase their academic ability, economic development, social awareness, health and natural creative talents, through enhanced academic tutoring, occupational training, life coaching, performing arts instruction, healthy lifestyle and college preparation.

We sincerely hope you are able to join us as we help motivate children on a path to a bright future. We can't wait to hear from you, please contact us as soon as possible and sponsor a child, make a donation towards supplies, provide transportation to youth conferences, any assistance you can provide would help to **I.M.P.A.C.T.** our youth's training experience this fall. For more information call Ms. Johnson at 800-520-9946 or email us at: onelife@changinglifeinc.com

Sincerely,
Audrey Johnson, CEO/Executive Director
